

Bethesda Chapel, Granby Row, Dublin

This photo taken sometime in the 1930's show the church in use as the Plaza cinema.

In the late 60's the facade was re-clad with concrete blocks and the portico columns and any protuberances were removed. The church was forgotten about after it was converted into a cinema in 1913. The cinema closed in 1981, and was in use by Donie Cassidy owner of the wax museum for a number of years before being demolished in 2005.
